

Hello! My name is Matthew Krueger. My wife Staci and our son Trevor, who will be starting pre-k, are excited to become part of the SACS family! I currently work as an adjuster for Texas Farm Bureau and we live close to Medina Lake. We have been part of the Cowboy Fellowship Church in Pleasanton for over 15 years and love our church home. I have recently discovered my love for running! My goal is to run a Marathon within the next year. In our free time we tend to our ranch and spend as much time outside with our son as we can.

I am honored to be named 4-H Club Manger this year and I am looking forward to helping the club develop. I have been involved in farming and ranching my entire life. With a degree in Agriculture Education from Tarleton State University and teaching Ag Ed for 6 years, I'm confident my skills and experiences will help our students learn, grow, and achieve success in all their 4-H projects.

I am always available to help with any questions you may have.

Blessings,

*Matt Krueger*
